Extinguishing the Chalice:

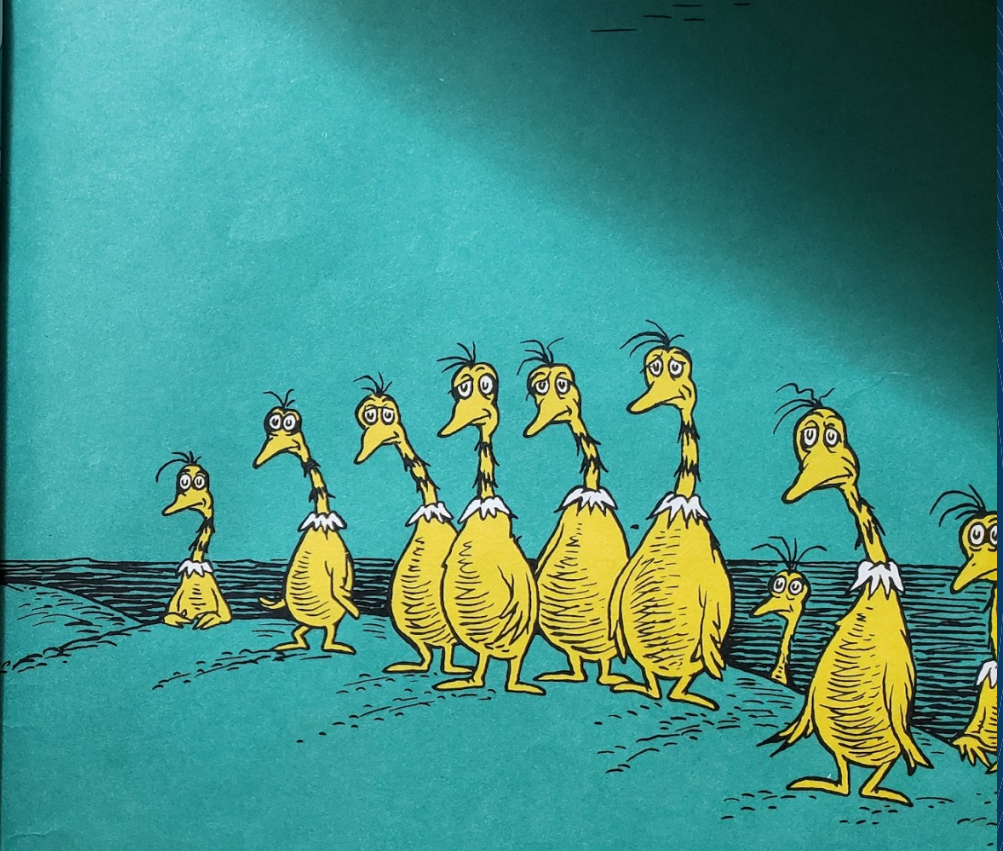

When the Star-Belly Sneetches had frankfurter roasts  
Or picnics or parties or marshmallow toasts,

Put together a very peculiar machine.  
And he said, "You want stars like a Star-Belly Sneetch...?  
My friends, you can have them for three dollars each!"

"Just pay me your money and hop right aboard!"  
So they clambered inside. Then the big machine roared  
And it klonked. And it bonked. And it jerked. And it berked  
And it bopped them about. But the thing really worked!

"Good grief!" groaned the ones who had stars at t  
"We're *still* the best Sneetches and they are the wo  
But, now, how in the world will we know," they  
"If which kind is what, or the other way round?"

"Belly stars are no longer in style," said McBean.  
"What you need is a trip through my Star-Off Machine.  
This wondrous contraption will take off your stars  
So you won't look like Sneetches who have them on thars  
A look that's just plain mean!"

very last cent  
y was spent,  
Chappie packed up
